A REPORT OF THE LEBANON VALLEY COLLEGE FUND 1968/1969

From the Office of the President

August, 1969

Dear Friend,

It is impossible to express adequately my genuine appreciation for the success story that is told in these pages. Lebanon Valley College has been blessed by your kind and generous response to her needs. Thank you for your having assisted in making the 1968-1969 year another one during which a program of high quality was provided for our students.

The figures, the tables, and the charts of this report speak a great potential. They demonstrate clearly our cooperative achievements. More importantly they show also what can be done in 1969-1970 and in all of the years ahead. You know the great needs of our College. It is not necessary that I mention them again. With a great effort, with the traveling of the second mile those needs can be met.

Thank you sincerely again for sharing in making Lebanon Valley College what she is and what she is to become.

Sincerely yours,

Frederick P. Sample
President

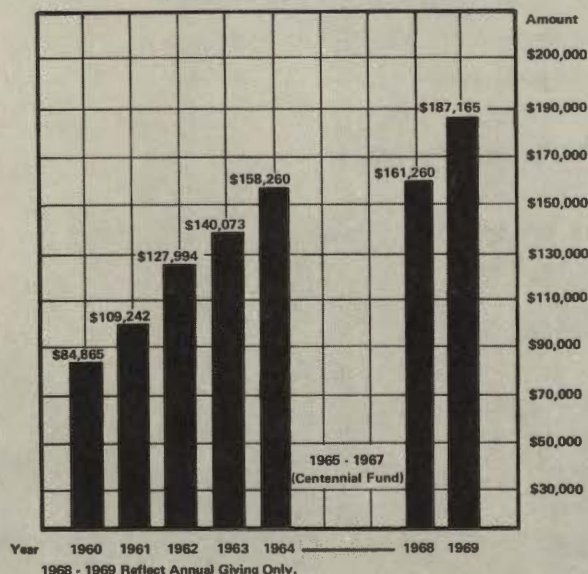

COMMITMENT THROUGH GIVING

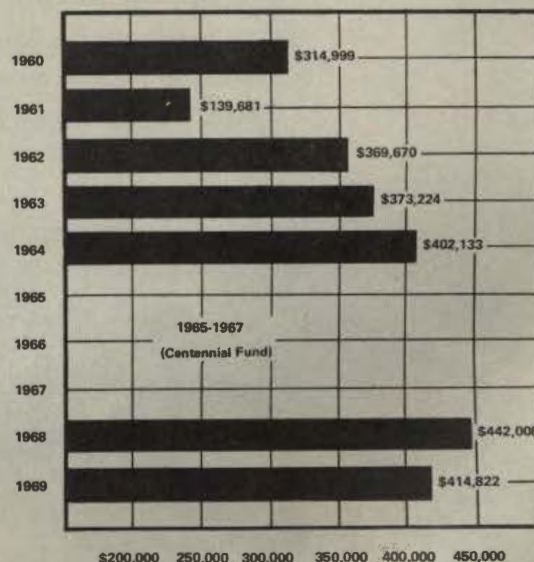

We are very pleased to report that the Annual Giving Campaign, which ended June 30, 1969, was the most successful in the history of Lebanon Valley College. Although the goal was \$165,000.00, the alumni and friends of the college responded splendidly by contributing a total of \$187,165.00, or 16% more than last year. This genuine investment in the college also is reflected in the Lebanon Valley College Fund, which showed an increase of \$39,750 over last year. Correspondingly, it is significant to point out that the alumni giving increased by 13%. 28% of all the living alumni made contributions to the college, but of those alumni who were solicited (many alumni addresses are unknown) 36% participated in the Annual Giving Program.

To all the workers during the telethon and personal solicitation, to the many persons who made this commitment to higher education, we again thank you for making this a very rewarding year for Lebanon Valley College.

CHURCH PARTICIPATION

Founder of the Dollar-per-Member Program, Dr. William J. Fisher passed away on August 5. It was in 1961, while chairman of the Finance Committee of the the Board of Trustees, he conceived and began this successful program in the former Pennsylvania and East Pennsylvania U B. Conferences. His passing is indeed a great loss to the Church and College he loved so much.

The growth of support through the Dollar-per-Member Program on the part of the Eastern and the Susquehanna Conferences of the United Methodist Church has been indeed gratifying. This year 237 congregations contributed \$41,512 to the College. This marks the eighth straight year of increased giving since the inception of the program in 1961.

On the other hand, total support from these two conferences shows a steady decline to its lowest point since 1964. The additional money to make up total church support through the conferences comes to the College unsolicited from individuals, individual churches, and the conference treasuries and is largely designated for scholarship aid.

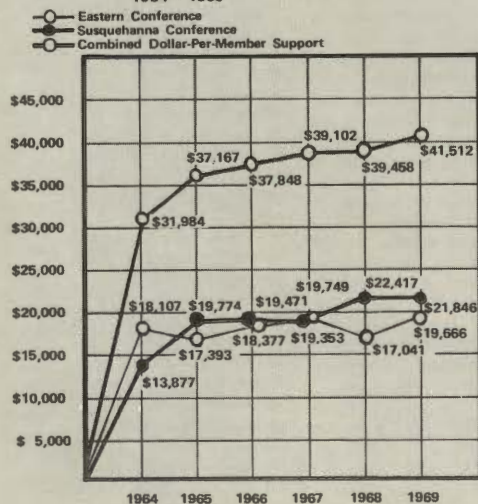

The College looks forward to serving the new Eastern Pennsylvania and Central Pennsylvania Conferences. The uniform and dedicated support of these Conferences will enable Lebanon Valley to continue its place of leadership in training United Methodist young people.

The College is grateful for the leadership of Bishop Hermann W. Kaebnick and the District Superintendents, and for the dedication of the pastors and laymen of the supporting conferences.

GIFTS BY ALUMNI AND FRIENDS

The following list of contributors reflects more than a statistical approach to the financial support of Lebanon Valley College. It shows, among other things, the willingness of many people to lead and work toward a common goal.

The members of the Board of Trustees, Faculty, and Administration express their sincere appreciation to all who have made this report possible. If there are any omissions or corrections, please contact the Director of Development at the College.

MATCHING GIFTS

One of the healthy signs of concern for higher education is the program of matching gifts that has been adopted by many industries and businesses throughout the United States. Under this program, a contribution by an employee to his Alma Mater or another college of his choice is matched with an equivalent grant by the participating company.

This year, 43 business concerns have made matching gift grants to Lebanon Valley College totaling \$4,935.00. Lebanon Valley College appreciates the support of both the original donors and their employers.

Contributors to the Lebanon Valley College Fund who may have questions regarding the matching gifts program should feel free to write to the Director of Development at the College. He can supply the names of businesses which subscribe to this program.
